ADELAIDE HEALTH FOUNDATION
(A COMPANY LIMITED BY GUARANTEE, WITHOUT A SHARE CAPITAL)
DIRECTORS' REPORT
FOR THE YEAR ENDED 31 DECEMBER 2022

The directors present their report and financial statements for the year ended 31 December 2022.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the company's constitution, the Companies Act 2014 with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

Objectives and activities

The Adelaide Health Foundation (AHF) is a voluntary charitable organisation which has as its principal object the advancement of healthcare.

The AHF is based in the **Adelaide and Meath Hospital Dublin (Incorporating the National Children's Hospital)**, known and referred to in this report as "Tallaght University Hospital".

The AHF supports Tallaght University Hospital, a public voluntary teaching hospital which provides the highest quality of healthcare to every denomination, fostering an inclusive approach to medical and nursing practice, treating every patient as they would wish.

There has been no significant change in the organisation's activities during the year ended 31 December 2022.

The Adelaide Health Foundation's Core Values

- Equal access to quality healthcare for all;
- Respect for the patient's dignity and right to autonomy over their healthcare;
- Independence in opinion and action of the Foundation and Medical Practitioners, including but not confined to the fields of ethics and genetics;
- Public and patient involvement in health and healthcare;
- Evidence-based healthcare provision;
- The promotion of excellence in education and research;
- Engagement with Tallaght University Hospital and the community it serves.

Main Activities

The Foundation delivered a full programme of activity in 2022, with the Board meeting on seven occasions, five times virtually and twice in person.

AHF Strategy 2022 – 2025 was developed, which included a refresh of the mission:

"Through support of education and research, to advance and promote equitable access to healthcare services in Ireland, with a particular focus on Tallaght University Hospital and the community it serves."

AHF programmes are delivered under three main pillars:

- Community
- Research
- Education

During 2022, the majority of AHF funding was expended across the following areas:

1. Support of Healthcare Staff and Students
2. Healthcare Advancement Fund
3. Direct Healthcare Projects

1. Support of Healthcare Staff and Students

The AHF main supports in this area are focussed on nursing in Tallaght University Hospital, and the emphasis in 2022 was on nursing recruitment and retention.

Student Nurse Applications

The Adelaide School of Nursing links with Trinity College and the Central Applications Office (CAO) under a restricted Leaving Certificate nursing course - TR093, a four-year BSc Nursing (General) Degree.

ADELAIDE HEALTH FOUNDATION

(A COMPANY LIMITED BY GUARANTEE, WITHOUT A SHARE CAPITAL)

DIRECTORS' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2022

There were 287 TR093 applications submitted (511 in 2021), which were almost equally divided between Leaving Cert students and Non-Leaving Cert/Mature applicants.

Following the evaluation process, 198 students (69%) were nominated as eligible for a CAO offer to the Adelaide School of Nursing.

Nursing bursaries

The AHF has been granting support to TUH nursing students since 1997, assisting financially to enable them focus on their studies as they work towards achieving their nursing degree.

Following review of bursary eligibility criteria in 2021, which involved reducing the amount of social welfare income which is disregarded for the purpose of calculation of bursary amount, further development of the scheme was undertaken in 2022.

A new (higher value) bursary strand was introduced for mature students in recognition of the fact that the decision to study nursing can involve sacrificing a salary.

The **Adelaide Health Foundation Bursary – Mature** was introduced, which will be included as non-reckonable income in the SUSI grants scheme from 2023 onwards.

In 2022, bursaries totalling €163,500 were awarded to 50 new and continuing students (2021: €121,500).

Exclusive of support costs, the total amount expended on bursaries and scholarships in 2022 was €158,000 (2021: €126,729).

The total number of bursaries awarded since the scheme commenced is 811 with total expenditure of €1.7m.

2. Healthcare Advancement Fund (HAF)

HAF expenditure included some charitable donations, including to the war in Ukraine via an Irish based Ukrainian charity for the purchase of medical supplies.

Exclusive of support costs, the total amount pledged to future Healthcare Advancement was €229,000 (2021: €198,000).

3. Direct Healthcare Projects

The Foundation directly funds projects both in Tallaght University Hospital (New Initiatives) and in the local community (Community Health Grants).

New Initiatives Scheme

A pilot collaboration with TUH Innovation for the AHF 2022 New Initiatives Scheme attracted an enhanced number and quality of applications.

17 applications were received, and as the indicative amount applied for was significantly over budget, AHF board approved additional funds.

A total of €61,000 was granted across 10 TUH projects, with amounts ranging from €1,700 to €10,000.

The process was deemed a success and it is proposed to repeat collaboration for 2023 New Initiatives.

ADELAIDE HEALTH FOUNDATION

(A COMPANY LIMITED BY GUARANTEE, WITHOUT A SHARE CAPITAL)

DIRECTORS' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2022

Community Health Grants (CHG)

This scheme provides support for not-for-profit and charitable organisations located primarily within the Dublin 24 area, to acknowledge the positive impact that local groups have on the health and wellbeing of communities.

11 projects were funded under the 2022 CHG scheme, totalling €37,653. Project amounts funded ranged from €840 for 12 x chair aerobic sessions for Kingswood/Kilnamanagh Active Age Club to €5,000 for bi-lingual counselling for women experiencing abuse/domestic violence through NCCWN Women Together Tallaght Network.

Exclusive of support costs, the total amount expended on direct healthcare projects in 2022 was €100,523 (2021: €79,431).

Voluntary assistance

The AHF provided €5,000 to support the Social Work department, a large portion of which was used to buy clothes for homeless patients presenting to the Emergency Department or admitted to TUH. There was an increase in these patients in 2022 due to the housing crisis.

The Adelaide Health Foundation's Research Strategy

The Foundation supports high-quality research which:

- Aligns with AHF mission and values;
- Is patient focussed;
- Fulfils a pressing health service demand.

Main activity in 2022 has been on the project *"Genetic Counselling and Testing in the Irish Republic: Scoping current practice, international comparisons and recommendations for national practice"*

Prof Sally Anne Lynch and her team have made significant progress on the project's objectives with report to be published late 2023.

Members and donors

Members, friends and supporters throughout Ireland support the work of the Foundation in a remarkable way, as well as parishes and local churches throughout Ireland.

Financial review

Results

The deficit for the year after providing for depreciation and accounting for the decrease in fair value of investments amounted to (€3,838,938) (2021: Surplus €4,875,393).

At the end of the year, the company had assets of €28,286,637 (2021: €31,920,723) and liabilities of €1,280,792 (2021: €1,075,940). The total net assets of the company have decreased by (€3,838,938).

Income generation

The Foundation's income was €794,326 (2021: €684,398).

Investment income accounted for €708,059, with €4,005 coming from general donations, €6,387 from membership subscriptions, €72,195 from legacies and bequests and other income of €3,680.

All income goes to supporting the activities of the Foundation.

Resources expended

Support for healthcare services continues to be the principal aim of the Foundation's activities. The vast majority of the resources expended goes to fund healthcare programmes. The remainder relates to support costs which facilitates the day to day running of the Foundation.

Reserves

The directors have reviewed the reserves on hand at year end and analysed them as restricted and unrestricted where relevant. The Foundation has allocated surplus funds to the Healthcare Advancement Fund as detailed in the notes to the financial statements.

ADELAIDE HEALTH FOUNDATION (A COMPANY LIMITED BY GUARANTEE, WITHOUT A SHARE CAPITAL) DIRECTORS' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2022

Principle Risks and uncertainties

The directors have ultimate responsibility for ensuring that the company has an appropriate system of controls, financial and otherwise. The systems of internal controls are designed to provide reasonable, but not absolute, assurance against material misstatement or loss. They include:

- A strategic plan;
- Annual budget approved by the directors;
- Delegation of authority and segregation of duties.

Management of the investment portfolio is outsourced to investment managers. The Board approved Investment Policy is reviewed annually.

Structure, governance and management

The Foundation is a company limited by guarantee without share capital. The governing document is the company's Constitution.

The Foundation is governed by a Board of Directors appointed from the membership (which is open to all who wish to support its work). Members pay an annual subscription to the Foundation. The Board also has power to co-opt any person to be a member of the Board.

The Adelaide Health Foundation had members in common with the Adelaide Hospital Incorporated until 31 July 1996 when the Hospital became a constituent Hospital of the Adelaide & Meath Hospital, Dublin incorporating the National Children's Hospital (Tallaght University Hospital).

The Foundation currently has the right to nominate 1 member to the Board of Tallaght University Hospital under the Hospital Charter.

Legal and administrative details

Until 2021, the Adelaide Health Foundation was the business name of the Adelaide Hospital Society which was incorporated as a limited liability company (No 224404) on 9 November 1994 and is a recognised charity (CHY 11153) with its registered office at Adelaide and Meath Hospital, Tallaght, Dublin 24. In 2021, the process to change the registered name of the organisation to the Adelaide Health Foundation was finalised.

Officers of the Board of Directors

The directors who served during the year and up to the date of signature of the financial statements were:

Rory Brownlee
Marie Louise Delahunty
Peter Fitzpatrick
Stephen Franck
Sinéad Keavey
Catherine MacDaid (Chair)
David Moore
Chrístriona Murphy
Yvonne Seville
Hugh Sullivan
Lesley Williams
Tadhg Ó'Cróinín

Auditor

UHY Farrelly Dawe White Limited have expressed their willingness to continue in office in accordance with the provisions of section 383(2) of the Companies Act 2014.

Statement on relevant audit information

There is no relevant audit information of which the statutory auditors are unaware. The directors have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and they have established that the statutory auditors are aware of that information.

Accounting records

To ensure that adequate accounting records are kept in accordance with sections 281 to 285 of the Companies Act 2014, the directors have engaged appropriate personnel and have maintained appropriate computerised accounting systems. The accounting records are located at the Adelaide Health Foundation's office based in Tallaght University Hospital.

ADELAIDE HEALTH FOUNDATION
(A COMPANY LIMITED BY GUARANTEE, WITHOUT A SHARE CAPITAL)
STATEMENT OF DIRECTORS' RESPONSIBILITIES
FOR THE YEAR ENDED 31 DECEMBER 2022

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable Irish law and regulations.

Irish company law requires the directors to prepare the financial statements for each financial year. Under the law, the directors have elected to prepare the financial statements in accordance with the Companies Act 2014 and Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'. Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as at the financial year end date and of the surplus or deficit of the company for the financial year and otherwise comply with the Companies Act 2014.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies for the company financial statements and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the will continue in business.

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and surplus or deficit of the company to be determined with reasonable accuracy and enable them to ensure that the financial statements and Directors' Report comply with the Companies Act 2014 and enable the financial statements to be audited. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the directors are aware:

- there is no relevant audit information (information needed by the company's auditor in connection with preparing the auditor's report) of which the company's auditor is unaware, and
- the directors have taken all the steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the company's auditor is aware of that information.

By order of the Board of Directors

**ADELAIDE HEALTH FOUNDATION
(A COMPANY LIMITED BY GUARANTEE, WITHOUT A SHARE CAPITAL)
INDEPENDENT AUDITOR'S REPORT
TO THE DIRECTORS OF ADELAIDE HEALTH FOUNDATION**

Opinion

We have audited the financial statements of Adelaide Health Foundation (the 'charity') for the year ended 31 December 2022 which comprise the statement of financial activities, the balance sheet, the statement of cash flows and the notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is the Companies Act 2014, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland*.

In our opinion the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the company as at 31 December 2022 and of its profit for the year then ended;
- have been properly prepared in accordance with FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland*; and
- have been prepared in accordance with the requirements of the Companies Act 2014.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the Republic of Ireland, including the Ethical Standard issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (Ireland) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**ADELAIDE HEALTH FOUNDATION
(A COMPANY LIMITED BY GUARANTEE, WITHOUT A SHARE CAPITAL)
INDEPENDENT AUDITOR'S REPORT (CONTINUED)
TO THE DIRECTORS OF ADELAIDE HEALTH FOUNDATION**

Opinions on other matters prescribed by the Companies Act 2014

Based solely on the work undertaken in the course of the audit, we report that in our opinion:

- the information given in directors' report, which includes the directors' report prepared for the purposes of company law, is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements.

We have obtained all the information and explanations which we consider necessary for the purposes of our audit.

In our opinion the accounting records of the company were sufficient to permit the financial statements to be readily and properly audited, and the financial statements are in agreement with the accounting records.

Matters on which we are required to report by exception

Based on the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the directors' report.

We have nothing to report in respect of our obligation under the Companies Act 2014 to report to you if, in our opinion, the disclosures of directors' remuneration and transactions specified by sections 305 to 312 of the Act are not made.

Responsibilities of directors for the financial statements

As explained more fully in the statement of directors' responsibilities, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on IAASA's website at: [http://www.iaasa.ie/Publications/Auditing-standards/International-Standards-on-Auditing-for-use-in-Ire/International-Standards-on-Auditing-\(Ireland\)/ISA-700-\(Ireland\)](http://www.iaasa.ie/Publications/Auditing-standards/International-Standards-on-Auditing-for-use-in-Ire/International-Standards-on-Auditing-(Ireland)/ISA-700-(Ireland)). This description forms part of our auditor's report.

**ADELAIDE HEALTH FOUNDATION
(A COMPANY LIMITED BY GUARANTEE, WITHOUT A SHARE CAPITAL)
INDEPENDENT AUDITOR'S REPORT (CONTINUED)
TO THE DIRECTORS OF ADELAIDE HEALTH FOUNDATION**

The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the company's members, as a body, in accordance with section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

ADELAIDE HEALTH FOUNDATION
(A COMPANY LIMITED BY GUARANTEE, WITHOUT A SHARE CAPITAL)
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2022

1 Accounting policies

Charity information

Adelaide Health Foundation is a Company Limited by Guarantee incorporated in the Republic of Ireland. The registered office is Adelaide and Meath Hospital, Tallaght, Dublin 24, Ireland.

1.1 Accounting convention

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

Statement of compliance

The financial statements of the company for the year ended 31 December 2022 have been prepared on the going concern basis and in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (FRS 102).

Basis of preparation

The financial statements have been prepared on a going concern basis in accordance with the Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" issued by the Financial Reporting Council. The company has applied the recommendations contained in Charities SORP (FRS 102) effective since 1 January 2019.

AHF meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

The financial statements are prepared in euro, which is the functional currency of the Charity. Monetary amounts in these financial statements are rounded to the nearest €.

1.2 Going concern

The Foundation meets its day-to-day working capital requirements through its cash balances and investments. Investment income prediction has been reviewed and the organisational budget adjusted.

The Foundation's forecasts and projections, taking account of reasonably possible changes in trading performance, show that the Foundation should be able to operate for the foreseeable future.

After making enquiries, the Board have a reasonable expectation that the Foundation has adequate resources to continue in operational existence for the foreseeable future.

Therefore, these financial statements have been prepared on a going concern basis.

1.3 Charitable funds

All transactions of the Foundation have been recorded and reported as income into or expenditure from funds which are designated as "restricted", or "unrestricted".

Income is treated as restricted where the donor has specified that it may only be used for a particular purpose or where it has been raised for a particular purpose. All other income is treated as unrestricted. Expenditure is treated as being made out of restricted funds to the extent that it meets the criteria specified by the donor or the terms under which it was raised. All other expenditure is treated as unrestricted.

The balance on each restricted fund at the end of the year represents the asset held by the organisation for particular purposes specified by the donors. The balance of the unrestricted fund at the end of the year represents the assets held by the organisation for general use in furtherance of its work. Income from these principal amounts will either be (a) unrestricted and used for general purposes, or (b) restricted by the donor or by the Board.

ADELAIDE HEALTH FOUNDATION
(A COMPANY LIMITED BY GUARANTEE, WITHOUT A SHARE CAPITAL)
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2022

1 Accounting policies

(Continued)

1.4 Incoming resources

Income is recognised when the Charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Investment income

Investment transactions are accounted for on a trade date basis. Realised gains and losses and movements in unrealised gains or losses are recognised in the statement of financial activities. Movements in fair value are recorded in the statement of financial activities at each valuation date.

Legacy income and bequests

For legacies and bequests, entitlement is taken as the earlier of the date on which either: the Charity is aware that probate has been granted, the estate has been finalised and notification has been made by the executor (s) to clarify that a distribution will be made, or when a distribution is received from the estate. Receipts of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably and the Charity has been notified of the executor's intentions to make a distribution. Where legacies have been notified to the Charity, or the Charity is aware of the granting of probate, and the criteria for income recognition have not been met, then the legacy is treated as a contingent asset and disclosed if material.

Donations income

Income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably. Donations or grants that are subject to terms or performance related conditions or other conditions that must be met before there is unconditional entitlement to the gifted resources. These have been separately identified within the financial statements.

Subscriptions

Subscriptions income is recognised by the Foundation when the Foundation becomes entitled to the income there is sufficient certainty of receipt and the subscription can be reliably measured.

1.5 Resources expended

Expenditure is recognised when a liability is incurred. Funding provided through contractual agreements and performance related grants are recognised as goods or services are supplied. Other grants payments are recognised when a constructive obligation arises that results in the payment being an unavoidable commitment.

1.6 Fixed asset investments

Investments held as fixed assets are stated at cost less provision for any permanent diminution in value. Income from other investments together with any related withholding tax is recognised in the Statement of Financial Activities in the year in which it is receivable.

1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.8 Financial instruments

The company has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Basic financial assets

Basic financial assets, including trade and other debtors, cash and cash equivalents, short-term deposits and investments in corporate bonds, are initially recognised at transaction price (including transaction costs), unless the arrangement constitutes a financing transaction. Where the arrangement constitutes a financing transaction, the resulting financial asset is initially measured at the present value of the future receipts discounted at a market rate of interest for a similar debt instrument.

Trade and other debtors, cash and cash equivalents are subsequently measured at amortised cost using the effective interest method.

At the end of each financial year, financial assets measured at amortised cost are assessed for objective evidence of impairment. If there is objective evidence that a financial asset measured at amortised cost is impaired an impairment loss is recognised in profit or loss. The impairment loss is the difference between the financial asset's carrying amount and the present value of the financial asset's estimated cash inflows discounted at the asset's original effective interest rate.

If, in a subsequent financial year, the amount of an impairment loss decreases and the decreases can be objectively related to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed. The reversal is such that the current carrying amount does not exceed what the carrying amount would have been had the impairment loss not previously been recognised. The impairment reversal is recognised in the Statement of Financial Activities.

Other financial assets, including investments in equity instruments which are not subsidiaries, associates or joint ventures, are initially measured at fair value. Fair value is "the amount for which an asset could be exchanged between knowledgeable, willing parties in an arm's length transaction other than in a forced or liquidation sale". Estimates are made at a specific point in time, based on market conditions and information about the financial instrument.

Such financial assets subsequently measured at fair value and the changes in fair value are recognised in the Statement of Financial Activities, except that investments in equity instruments that are not publicly traded and whose fair values cannot be measured reliably are subsequently measured at cost less impairment.

Realised gains and losses on disposal of investments are the differences between sales proceeds receivable and carrying value. Unrealised gains and losses are the differences between market value at year end and carrying value.

Financial assets are derecognised when (a) the contractual rights to the cash flows from the asset expire or are settled, or (b) substantially all the risks and rewards of ownership of the financial asset are transferred to another party or (c) control of the financial asset has been transferred to another party who has the practical ability to unilaterally sell the financial asset to an unrelated third party without imposing additional restrictions.

Basic financial liabilities

Basic financial liabilities, including other creditors are initially recognised at transaction price, unless the arrangement constitutes a financial transaction where the arrangement constitutes a financing transaction the resulting financial liability is initially measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

1.9 Provisions and contingencies

Provisions are liabilities of uncertain timing or amount. Provisions are recognised when the company has a present legal or constructive obligation as a result of past events.

It is probable that a transfer of economic benefits will be relayed to settle the obligation, and the amount of the obligation can be estimated reliably.

(Continued)

1.10 Employee benefits

The employees are covered by the externally managed defined contribution scheme. Pension costs are charged to the Statement of Financial Activities on an accruals basis.

1.11 Receivables

Receivables are initially recognised at fair value and thereafter stated at amortised cost using the effective interest rate method less impairment losses for bad and doubtful debts except where the effect of discounting would be immaterial. In such cases the receivables are stated at cost less impairment losses for bad and doubtful debts.

Payables

Payables are initially recognised at fair value and thereafter stated at amortised cost using the effective interest rate method, unless the effect of discounting would be immaterial, in which case they are stated at cost.

1.12 Operating review

The company results for the year showed an operating deficit of €1,385 (2021: Surplus €775). The company recognises its investment portfolio at fair value and consequently revalues its assets on an annual basis. At 31 December 2022 the investments were valued at €25,610,980 (2021: €29,547,456). Measures are in place to monitor investment portfolio relative to financial markets. The value of the investments portfolio as at 16 February 2023 was €26,865,954.

1.13 Taxation

There is no taxation as the organisation has been granted a charitable exemption by the Revenue Commissioners.

13 Marketable securities

An element of the results included in the Statement of Financial Activities relates to foreign exchange gain/losses which arose on cash which was used to trade in Sterling and US dollar stock.

Unforeseen economic or political circumstances can have a sudden effect on markets. This could manifest itself by either significant buying or selling, or less inclination to trade until it is clear how prices in the market will be affected in the longer term. If the valuation date coincides with such an event, the data on which any valuation is based may not be clear, be incomplete or inconsistent, with an obvious impact on the certainty that can be attached to the valuation. In addition, a longer than normal marketing period may be required to achieve a sale in current market conditions.
